

BIOGRAPHICAL SKETCH
Complete for each professional associated with the project

Name: *[Last, First, Middle Initial(s), Degree(s)]*
Torri Clerici, Valentina, L, MD

Position/Title:
Consultant Neurologist

Education

[Begin with baccalaureate or other professional education and include postdoctoral training]

Institution and Location	Degree	Year Conferred	Field of Study
University of study Milan, Medicine and Surgery, Milan, Italy	MD	2000	Research Thesis on the following topic " <i>Terapia con Interferone beta-1b nella Sclerosi Multipla: studio neuropsicologico longitudinale e monitoraggio della disabilità clinica in una popolazione di pazienti affetti dalla forma recidivante-remittente</i> ".
University of study Milan, Graduate School of Neurology, Milan, Italy	Neurologist	2006	Research Thesis on the following topic " <i>Fatica e Sclerosi Multipla: impiego del QMA (Quantitative Muscle Assessment) come valutazione oggettiva</i> ".

Research and Professional Experience

[List in chronological order, previous employment, experience and honors]

-2002-2006:

Resident in Neurology, University of study of Milan, IRCCS Policlinico San Donato

-2002-2004:

Consultant Neurologist, Psychiatric Rehabilitation Center, Hospital Order San Giovanni di Dio, called Fatebenefratelli

-July 2008 – May 2011:

Consultant Neurologist, IRCCS E.Medea, Association “La Nostra Famiglia”- Severe brain injury research Unit - Bosisio Parini (LC), Italy

-February 2008 – March 2011:

Consultant Neurologist, Psychiatry Residency-CPA “Il Poggio”, Rogeno (LC), Italy

-November 2006 - February 2008:

Consultant Neurologist, IRCCS Policlinico San Donato, San Donato milanese (MI), Italy

-April 2012 - ongoing:

Consultant Neurologist, Neuroimmunology and Muscle Pathology Unit (U.O. Neurology IV)-Foudation IRCCS Neurological Institute Carlo Besta, Milan, Italy

-2002-ongoing:

Sub-investigator in several Phase III and IV clinical trials on Multiple Sclerosis

-April 2012-ongoing:

Principal investigator in several Phase III and IV clinical trials on Multiple Sclerosis

Publications

For each investigator, provide complete bibliographic citations for selected **publications related to the topic of this application**. DO NOT exceed one page for each individual.
